SEMINARS / TRAININGS / WORKSHOPS

ACM Indian Annual Event 2026 Institute Name: ACM India Council & Dept. of CSE , IIT Hyderabad Key Skills: Professional Networking Computing Trends Awareness Career Development Dialogue & Discussion Skills I attended the ACM India Annual Event 2026 organized by the ACM India Council and the Department of Computer Science & Engineering at IIT Hyderabad on 14th February 2026. The seminar included expert talks, a fireside chat, and the prestigious ACM awards ceremony. Through this event, I gained insights into emerging trends and innovations in computing, learned about professional growth opportunities, and understood the role of ACM in promoting research, collaboration, and excellence in computer science. I also enhanced my networking and communication skills by interacting with educators, researchers, and professionals from the computing community. This seminar broadened my perspective on industry standards, research challenges, and career pathways in computer science, strengthening my knowledge and enthusiasm for the field	14 Feb, 2026 - 14 Feb, 2026
