

PROFESSIONAL SUMMARY

Aspiring cybersecurity and AI enthusiast currently pursuing B.Tech CSE at Sreenidhi University (CGPA 7.96/10). Skilled in Python, and Linux with practical experience building ML-powered fraud detection systems and real-time APIs. Strong problem-solving abilities honed through competitive programming and personal projects like HydroVision (AI-driven sediment monitoring). Seeking entry-level opportunities to apply my technical skills in cybersecurity, machine learning, and software development

KEY EXPERTISE

Python, HTML, OS, DBMS, KALI LINUX ETC

EDUCATION

Sreenidhi University B.Tech. - Computer Science & Engineering CGPA: 7.94 / 10	2024 - 2028
Narayana, Amberpet 12 th TSBIE Percentage: 92.50 / 100	2024
ST.Mary's School ,NP ROAD,JN, Jangaon 10 th BSET CGPA: 8 / 10	2022

PROJECTS

Social Internship

Team Size: 3

Conducted educational sessions for underprivileged students, focusing on digital literacy and basic computer skills (MS Office, internet safety), leveraging technical knowledge to bridge the digital divide in rural education

Designed and delivered interactive workshops on cybersecurity awareness, teaching students about online safety, password security, and identifying phishing attempts—aligning with personal expertise in cybersecurity fundamentals

Mentored 50+ students in problem-solving and logical thinking through basic programming concepts using Python, fostering early interest in technology and computer science

Collaborated with school faculty to assess student learning outcomes and adapt teaching methodologies, demonstrating strong communication and adaptability skills

Organized community engagement activities to promote STEM education, contributing to improved student participation and academic confidence in technology subjects

PERSONAL INTERESTS / HOBBIES

- Reading Books

PERSONAL DETAILS

Gender: Male

Marital Status: Single
