| The social internship was a wonderful experience that changed the way I see the world. It helped me understand the importance of helping others and gave me a new perspective on education and social issues. I also learned how young people can play an important role in building a better nation. |                             |
| Through this program, I became more confident, kind, and responsible. It inspired me to keep doing small but meaningful things for society. I am truly thankful for this opportunity and will always treasure the time I spent with the children.                                                     |                             |
