INTERNSHIPS

Friends Foundation Society Volunteer This report summarizes my social internship at Ananda Jyoti School, Boduppal, under the Friends Foundation Society, conducted from July 8 to July 25, 2025, under the guidance of Dr. Gopalakrishna Patro. The objective of this internship was to engage with underprivileged and orphaned children, understand their educational and emotional needs, and contribute meaningfully to their development. During the internship, I participated in classroom teaching, assisted with academic support sessions, helped in organizing recreational activities, and contributed to the overall day-to-day functioning of the school and orphanage. These tasks helped me develop better communication, teaching, and organizational skills, while also deepening my understanding of social responsibility and child welfare. The experience had a lasting impact on my perspective, fostering empathy and a greater appreciation for community service. It also strengthened my commitment to contributing to inclusive and equitable education for all.	09 Jul, 2025 - 25 Jul, 2025
