Supported record keeping and data collection related to child growth, attendance, and welfare programs.

PROJECTS

Campus Insight

Mentor: Mrs. Sri Vidya | **Team Size:** 3

Key Skills: Problem Solving Team Work Communication skills

Campus Insight is a web-based feedback management system designed to allow students to submit feedback regarding their respective colleges. The system aims to enhance transparency, improve academic quality, and support administration in understanding student concerns. The project uses HTML, CSS, and basic JavaScript for the frontend, Java for backend processing, and SQL for data storage. It provides secure login, feedback submission, feedback management, and report generation.

EXTRA CURRICULAR ACTIVITIES

- Painting, Art and craft

PERSONAL INTERESTS / HOBBIES

- Reading Books, Listening to music
